WORDS FROM THE TEAM

Welcome to a New Season!

As we step into another year of racing, we want to acknowledge everyone who makes this Championship what it is. This has always been built on commitment, long hours, and people who genuinely care about the sport. That foundation hasn't changed. We're ready to face the year ahead with the same determination, the same teamwork, and the same belief in what the IMC can be.

We wish to thank:

Our Sponsors

Thank you for standing with the IMC and investing in the future of this Championship. Your support strengthens every round, every class, and every opportunity we're able to offer. You help keep this community growing, accessible, and moving forward

Our Team of Marshals and Medics

Your consistency, focus, and hard work keep every round running safely. You show up early, stay late, and handle the pressure that no one sees. This Championship depends on you.

Our Photographers

Thank you for being there in all weather, capturing the real moments—the effort, the emotion, the highs and lows. Your work helps tell the story of each season with honesty and heart.

And to you - the riders and teams

You are the centre of the IMC. Your commitment, resilience, and drive shape this Championship year after year. As we step into 2026, we do it together, ready to build something strong, competitive, and memorable.

Here's to a season that reflects the best of who we are. Let's make it count
